

**Tampa Club Wine Locker Guidelines
2017**

The Tampa Club offers all active members the opportunity to rent a wine locker. There is a limited supply, so if a member wants a locker, they may have to be put on a waiting list until a locker becomes available.

Wine lockers are maintained and managed by the Tampa Club, and current member inventories are posted to our share drive and available to any member upon request to view their wine locker contents.

1. When a wine locker becomes available, the first member on the waiting list is contacted to ensure they still want the locker. If there is no waiting list, then the first member to ask is contacted.
 - a. The member signing a rental agreement for the wine locker, will submit a one-time payment of \$500 to cover the locker, brass name plate with the member's name, and the maintenance and inventory. The member can choose the option of paying \$50 per month, for 12 months, if requested. This fee is non-refundable, and not eligible for any prorated consideration.
 - b. All members renting wine lockers will incur an annual maintenance fee of \$50, to begin after the first year.
2. Once a Member resigns, or notifies the Club that they no longer want to rent a wine locker, they will have 5 business days to empty their locker, so that it can be readied for another Member.
